

Sample Poll Worker Email: Congregations

A sample draft email for congregations/individual organizations to send their members about serving as poll workers.

SUBJECT: Local Opportunity to Serve as Poll Worker in Our Community

Dear Members,

As we enter the 2024 election season, we wanted to share some nonpartisan opportunities for members of our community to get involved as poll workers. Becoming a poll worker is a great way to fill a need in our community and help ensure free and fair elections. Our elections depend on 1 million poll workers from both political parties across all 50 states to train for proper election administration and help run local elections smoothly.

If you are interested in getting involved, you can [sign up](#) for more information. When you sign up using this link, you will receive an email from a local election office that outlines the requirements for training and serving as a poll worker. You will also receive follow up emails and reminders from Interfaith America. You also will be paid [enter dollar amount for your county] dollars for your service.

Please reach out if you have any questions and would like to discuss this opportunity or others to get involved in protecting our elections.
